

Dear Friends of King's School,

King's School Fund

In line with a number of other schools locally and across our Trust, we are running a school fund where members of our community can donate to support the school and enhance our students' educational experiences.

Purpose of the fund

The school fund will allow members of the community to make short or long term financial donations to the school, which in turn will help us to continue to provide the high quality education and resources we seek to offer.

Donations will be used to enrich our students' school experience and ensure they have access to high quality resources. Likely uses include purchasing additional textbooks and materials not covered by usual school budgets, as well as longer term projects such as continuing to develop our school library.

Financial contributions

Please feel no pressure to contribute to the school financially, but we are making the option available for those who wish to do so. Suggested single donations are between £10 and £100, but people who wish to donate a smaller or larger amount are welcome to do so. Suggested regular donations are between £5 and £20 per month, but again if you are able to give less, or to give more, we would be grateful for any support you can provide. Please be assured also that any regular donations are completely under your control and can be cancelled at any time.

If you would like to make a financial contribution, the most efficient way is via Just Giving. To ensure that families have the opportunity to donate towards school causes which they care about most, the fund is split across a number of 'pots'. These allow you to make a donation towards a cause (e.g. the school library) or to the general fund where funds can be directed as they are needed the most. You can find links to the individual 'pots' below.

If you would like to help in a different way, we are still accepting resource donations through our Amazon wish list (https://www.amazon.co.uk/hz/wishlist/ls/1QAS8E7UXHIIR?ref=wl_share). If you can buy a book that will help to enhance the school's resources, expanding the provision we can offer our students.

Thank you for your ongoing support of our school.

Yours sincerely,

Sarah Price
