Please see the attached letter from Mrs Amelia Dendy-Arto, Head of RP, for a further introduction to the department and the attached job description and person specification for more information about the role. A letter from Mrs Kate Vincent, Assistant Headteacher and Induction Tutor is also provided for ECT applicants.

### **Who are we?**

King's School is an ecumenical Christian School in the Diocese of Chichester. Our work and relationships are based upon the four core Christian values of Love, Forgiveness, Respect and Responsibility and through these we encourage and support every student and member of staff to be the best that they can be.

The school opened its doors to its first cohort of students in September 2013, when it was based on a small temporary site. There are currently just over 720 students in years 7, 8, 9, 10 and 11, and a team of over 75 teachers and support staff. In September 2019 the school moved into its permanent site in Hangleton. We are now lucky to enjoy purpose-built facilities for all areas of the curriculum and stunning views of the South Downs. This was the culmination of six years of hard work and planning and marked the beginning of an exciting new stage in the school's development. Our next milestone will be the opening of our Sixth Form in 2023. Planning and preparation for this are well underway. Applicants are encouraged to review our Sixth Form website for more information.

### **What do others say about us?**

The school received its third Ofsted inspection in March 2022 (Section 5 inspection) and retained its rating of good overall with outstanding features. The inspector noted that pupils "are proud to be part of the school community" and that "the school's provision for their education and welfare makes a significant contribution to their lives".

Our recent staff survey found that staff feel supported and valued.

- *I feel very supported and listened to in this school. The school sets clear expectations, and the SLT is very approachable.*
- *I feel good about my new role. I feel I can approach colleagues, and the senior team with any questions or queries that I may have.*
