2<sup>nd</sup> June 2026

Dear Parent/Carer,

**Year 12 Chemistry Trip –University of Sussex– Tuesday 30<sup>th</sup> June**

We have been invited to attend a Salters' Chemistry Discovery Day at Sussex University.

Discovery Days have an exciting programme, including inspiring talks from those working or studying in chemistry and a hands-on practical chemistry experiment within the university laboratory, which will enable our students to gain invaluable practical laboratory skills.

We will travel by school minibus to the University and will leave King's after morning registration. The event finishes at 2.30pm, so we will return to King's by 3pm.

We ask that students bring a packed lunch with them for the trip as they will not be at school during the lunch break. If students are in receipt of free school meals, please indicate on ParentPay if you would like the school to provide a packed lunch for your child to take with them.

**Should you wish for your child to attend this trip, please give permission on ParentPay as soon as possible to secure a place, and no later than 10<sup>th</sup> June. There is no cost for this trip.**

Yours sincerely,

Mrs K Ross  
*Head of Science*
