Subject: Enrichment feedback form

Dear Parents and Carers of King's Students,

We are writing to inform you that an online feedback form will be uploaded to Bromcom from this afternoon.

The purpose of this form is to gather student feedback following the recent Enrichment Day held in March 2026. As a school, we are committed to providing the best possible enrichment opportunities for our students, and their feedback plays a vital role in helping us evaluate and improve these experiences.

In order for us to reflect meaningfully and plan future enrichment activities effectively, it is essential that we receive as many responses as possible. The feedback gathered will help inform our development and ensure enrichment days continue to meet the needs and interests of our students.

We kindly ask that you encourage your child to complete the form and, where possible, take the time to look through the questions together. We have attached a link to the form below in case your child is unable to complete via Bromcom.

Thank you for your continued support.

Yours sincerely,
King's School Hove
