26<sup>th</sup> March 2026

Dear Parents/Carers,

I hope that this email finds you well and that you're looking forward to something of a break over the Easter period.

I am writing to let you know that some outdoor areas of the school have been closed to students today (namely the Year 7 courtyard playground and the southern courts on the MUGA/southern areas around the MUGA). Students have all been able to go outside at break time today using the other areas and around the MUGA and they will all be able to go outdoors at lunch again. Bike racks were provided at the front of the school for students who cycle in.

We took this step to ensure students' safety in the light of some concerns regarding the security of downpipe wall fixings. We have contractors on site today dealing with the downpipe issues and currently expect all concerns to be resolved by the end of the school day tomorrow. Safety measures will remain in place until we are confident that all issues are fully resolved.

With my best wishes for Easter,

Mrs S Price  
*Headteacher*
