

Theme of the week: GENTLENESS

Dear Parents/Carers,

I trust that students had good half terms and some much needed rest before this longer final term of the year. We have just seven school weeks left now on our temporary site and there is much to be done to enable a smooth move to our permanent site. The first of our packing crates arrived over half term and excitement is definitely building amongst the students and staff! Our new site remains on course for completion in early August. The external building is done and Kier are now working on completing the internal fit out and landscaping the site. I will keep you updated on progress during this half term. Aside from our move, it is busy time of year. Year 11 students are completing GCSEs, Year 10 are gearing up for their exams which start next week and we have enrichment days and sports days to run as well as our Summer Arts Showcase and Awards' Evening. We will also welcome our new Year 7 cohort to school in the coming weeks for transition events. Plenty to look forward to!

Mrs Price

## National Book Tokens

National Book Tokens are running a competition for a school to win over £5000 worth of books. This would be a massive step towards equipping our new library! Please take a moment to nominate the school and you could also win a prize for yourself: <https://www.nationalbooktokens.com/schools>

## Sports Day

On **Wednesday 3<sup>rd</sup> July** we will again be hosting our annual school Sports Day at Withdean Stadium. The day will follow the pattern of previous years where students will sign up to take part in one of three morning activities: rounders, benchball or athletic field events. Students who are participating in the field events in the morning will be taken to the Withdean Stadium by coach and those playing rounders and benchball will do so on our school site.

Once the rounders and benchball competitions are finished the remaining students will then be taken via coach to the Withdean Stadium for the afternoon running events, all students will therefore be at the Withdean Stadium for the afternoon events. The afternoon will consist of the running races ranging from 75m to 1500m, finishing with house relays. Throughout the whole day students will compete for points for their house and we will announce the winner of the day once the final races have finished. Parents/carers are warmly welcomed to attend the event at the Withdean Stadium

## Senior Team Elections

We are excited to be receiving some applications for Head Boy and Head Girl! The role is open to all, and we

## King's School

would love all students to consider whether they would both support the continual drive to improve King's and whether they would enjoy the position.

**Deadlines for applications are next Monday, June 10<sup>th</sup>.** These are to be hard copy and handed in to reception. We look forward to presenting our new Senior Team very soon!

### Year 10 Exams

Next week sees the start of our Year 10 Exam season. The students are being prepared by their subject teachers for this and will be given guidance on suggested revision materials and techniques as well as details of what they will be assessed on. This will be their first experience of full GCSE exam papers and so it is a good opportunity to learn the process of effective preparation through revision. In order to give them an experience of Exam hall procedure we are conducting some of the exams (Monday Exams) off site at Portslade Baptist Church, they will be escorted from school to the Church and back again afterwards by school staff.
