Inter schools swimming competition

In March there is an inter-schools swimming competition and we would like to enter a team from King's.

If students swim regularly and competitively for a club, please let Mr Cornell know via email to r.cornell@kingsschoolhove.org.uk. This is an opportunity for all year groups and for male and female students.

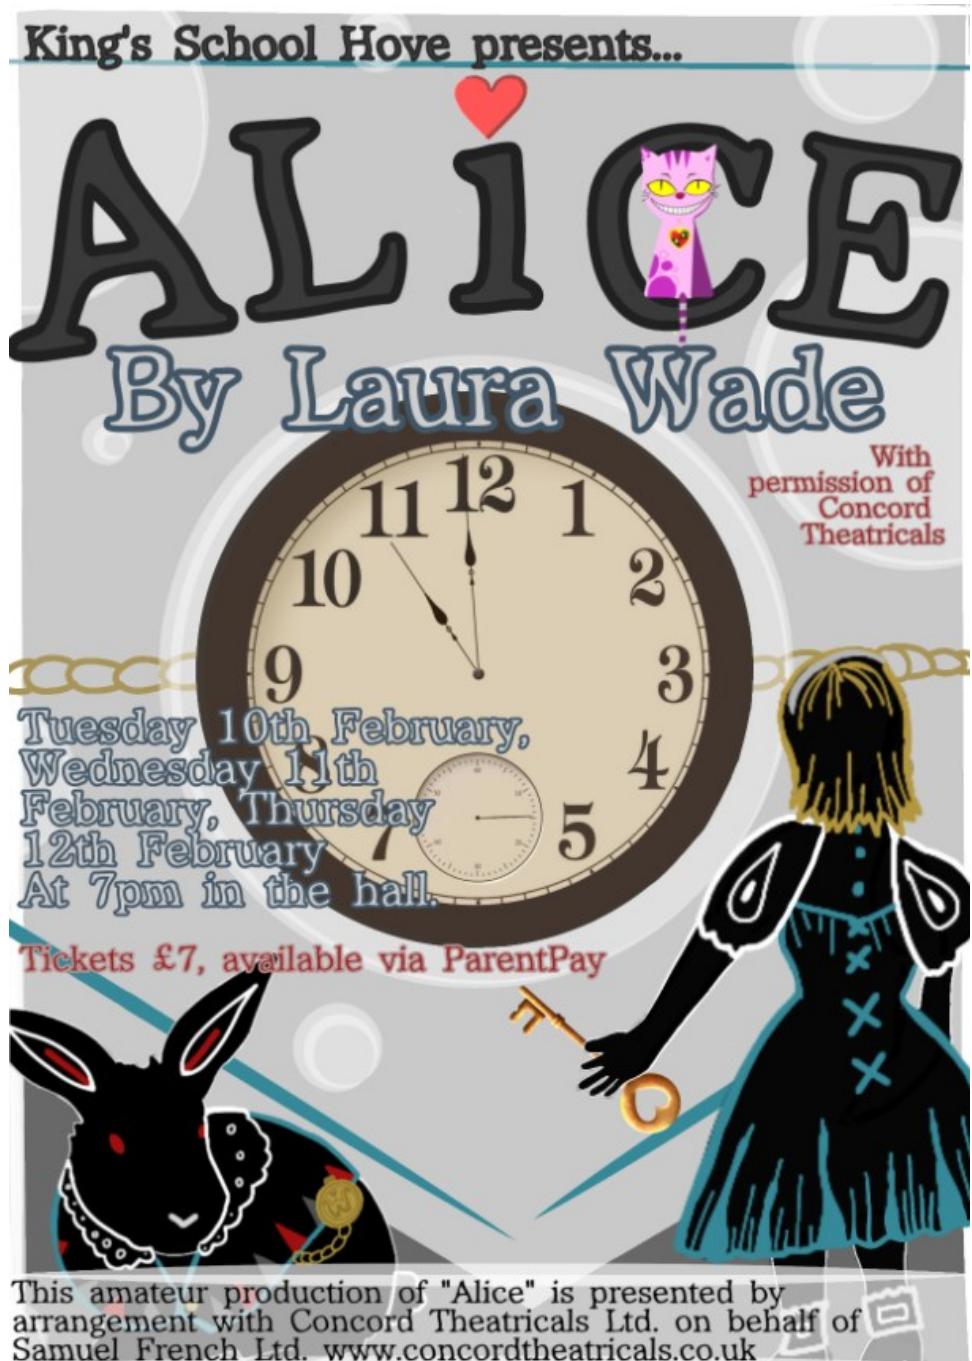

King's School Hove presents Alice! 7:00pm start time, tickets £7.

Our school production of Alice by Laura Wade is rapidly approaching. It takes a modern twist on the original story and deals with themes such as grief, bereavement, family relationships and hope for the future. A big cast of actors and musicians will perform in the school hall at 7pm on Tuesday 10th, Wednesday 11th and Thursday 12th February.

Please note the ski trip will leave on the Thursday, so please don't double book yourself!

Our productions are always wonderful opportunities for our young people to showcase their talents and we would love it if you were able to join us.

Tickets priced £7 are on sale now via ParentPay.

Year 9 Options Forms—Friday 13th February

A reminder that Year 9 Options should be submitted by **Friday 13th February**.

Please find the link to the Year 9 Options Form here [Year 9 Option Choices – Fill out form](#). Students will need to be logged in to their school account to submit this form. The link has also been sent to all student accounts.

You can also find the Options booklet and the presentation from Mrs Vincent on our website here [King's School](#).

PE Kit Uniform Loan

After half term, if your child forgets their PE kit, they will need to borrow one from the Finance Office BEFORE 9AM using their phone/bus pass/keys as a deposit. Students who have not borrowed it before 9am and don't have PE kit for their lesson will be issued with a C3 (30 mins after school on a Friday).

If your child has lost their PE kit, please ask them to look in the lost property that is in the corner of the changing rooms or on the rack in the canteen.

The PTA have some kit to sell. Please contact pta@kingsschoolhove.org.uk if you would like to purchase some more.

Thank you for your support in this matter.

Work Experience

Year 10 will complete two days of work experience over Monday 6th and Tuesday 7th July. Year 12 students will complete a week work experience placement during the week of the 6th July. Work experience provides students with valuable insights into potential careers, helping them make informed decisions about their future. It can confirm a student's career aspirations or help them realise a particular field is not the right fit.

Parents/carers are asked to use either their professional or personal networks to arrange suitable work experience placements for their children.

Please read carefully through the work experience booklet accessible via the following link as this will explain everything about the process and help to answer questions you may have: [King's Work Experience Handbook.pdf](#)

We use the Unifrog platform (www.unifrog.org) to manage the administration of the work experience programme, including collecting information from the employer about their Risk Assessment and Health & Safety Policy, as well as getting agreement from yourselves for the placement to go ahead. Students can log into Unifrog via the Microsoft button using their school email and password.

Students need to ensure they have confirmed their placement on Unifrog using the Placements tool by Monday 23rd March. If your child is unable to arrange a work experience placement, please notify us via careers@kingsschoolhove.org.uk we will explore other options with them in April.

If you are able to host any of our students we would love to hear from you. Please email into:

Year 8 Netball v Cardinal Newman A (14-11 win)

The Year 8 squad visited Newman this week for their second game of the season. Both teams drew the first three quarters, with King's pulling the score away in the last couple of minutes of the game. Players of the match went to Claudia H and Ottolie A. The patience and consistency of the squad ensured they came away with the win. A fantastic performance by everyone involved and a wonderful way to finish off this half term of Year 8 netball.

BSMS March Campus Meet & Greet

Wednesday 18th March, 13:30-15:30

On Wednesday 18 March we will be holding a Meet & Greet session on the University of Sussex campus. Throughout the event, visitors will hear from a member of the admissions team who will provide an overview of BSMS and the curriculum. We will be joined by current medical students who will provide an insight into their experiences of studying at BSMS and living in Brighton. After the talks, visitors will be taken on a tour of the campus with our students so that they can get a feel for the university and have an opportunity to talk and ask questions.

The session will run from 1:30pm until 3:30pm. Prior registration is required as spaces are limited and we request that prospective students bring a maximum of one guest with them.

Dental Schools Council Summer Schools

In the summer of 2026, the DSC will be running free summer schools to support students in Years 11 and 12 in England from underrepresented backgrounds that are interested in studying dentistry.

These are being hosted by the University of Liverpool, Newcastle Dental School and the University of Plymouth.

On the course, participants will gain an insight into different dental careers that are available, experience a range of teaching methods, build confidence and receive advice and support with the application process. The summer schools will be taking July 2026. Applications for the programme are open and close on Sunday 8 March 2026

Visit the [Studying Healthcare webpages](#) for more information.

National Apprenticeship Week 2026

The 19th National Apprenticeship Week takes place this year from 9th – 15th February!

National Apprenticeship Week (NAW) is an annual week-long celebration of apprenticeships, which aims to shine a light on the amazing work being undertaken by apprentices, employers and training providers across England.

It is also a fantastic opportunity to inspire students to consider apprenticeships as a future option and to share information about apprenticeships and technical education.

If you would like to find out more about apprenticeships, visit Amazing Apprenticeships' Parent and Carer zone: [Parent - Amazing Apprenticeships](#)
